PAYMENT METHOD

<input type="checkbox"/> PURCHASE ORDER *	P.O. Number:
---	--------------

* Minimize service delays by submitting your hard-copy **Purchase Order** ASAP. Equipment description including MFR and P/N, instrument ID and which calibration service is required: **Standard Calibration, Calibration with Full Before and After Data, or ISO17025 Accredited Cal with Data & Uncertainties**. Please note that all calibrations receive a Calibration Certificate, and calibration sticker on the unit. If standard calibration is required, please also know that our cal-with-data price will apply for all instruments when adjustments are performed. A bench-check fee will automatically apply for all equipment returned as-is. All batteries & fuses will be replaced, when necessary, without prior notice at an additional charge.
